MAL GRAHM

Mal at the 1995 HW Nationals Banquet

At this Nationals, we hold in memory longtime HWA member Mal Graham, who passed away at age 82 this June. Mal had many friends in the Airedale world, starting with those he met while training his Airedales to high competitive levels in the days when few

people did obedience with Airedales. Though he wasn't personally a hunter, Mal was a longtime supporter of HWA. In fact, Mal was honored by our club in 2013 for attending all 28 HWA Nationals, never missing one. Mal was a great conversationalist and told accounts of the early days of Airedales. Mal is survived by his wife Joyce, another longtime HWA supporter, who has moved to Ohio to be closer to family.

... We Lost This Year

ISAAC WHITE

Isaac White, who attended his first HWA Nationals in 2013 with his mother Katherine and his Airedale Lucy, passed away on August 8, 2017, shortly after his 16th birthday. Even while recovering from his first fight with cancer, Isaac attended the 2015 HWA Nationals and earned an

Isaac and Lucy at the 2013 Nationals

ATCA Junior Fur title with Lucy.

Though his time participating with HWA was too short, Isaac impressed those he met with his combination of youthful joy and maturity beyond his age. We join in sending condolences to Isaac's family and taking consolation in their strong Christian faith that keeps Isaac's spirit among us.

Letter from the President

Welcome to the 32nd Annual HWA Airedale Field Nationals!

The Airedale Nationals is a time for like minded Airedale owners to come together in fellowship and camaraderie. The weekend offers opportunities to catch up with old friends and make new ones. We take pride in sharing the beautiful event location at Holly Hills and hope you take full advantage of this site.

I wish our competitors luck. Remember most importantly this event is about our Airedales. Have great fun and enjoy the weekend.

Patricia Nemeth,
HWA President

Welcome to the Airedale Field Nationals

The Airedale came to America shortly after its development in England in the last half of the 19th century. In the first part of the 20th century, Americans' appreciation of the Airedale's hunting heritage was summarized in 1916 by Warren H. Miller (longtime editor of *Field and Stream*) in his classic book *The American Hunting Dog*. "On the borderline between the bird dog and the fur dog stands the Airedale," Miller wrote, "...the dog that can hunt both ... and the one who can and is being successfully trained to hunt everything alive that can be hunted."

The Airedale enjoyed widespread popularity in America at the start of the 20th century. In addition to its hunting abilities, the breed's reputation built on its fame as a war dog in WWI and its exploits as a big game hunter in the American West. Over time, demographics and society changed, and Airedale popularity shifted to a much smaller fan base who maintained the breed mainly as companions and home protectors.

In this 32st HWA Nationals, we continue the movement among Airedale fanciers to restore attention to the breed's original purpose as a versatile hunting and working dog, and to prove that the Airedale still maintains the breed's original instincts and abilities. Several of the Airedales and owners who got their start at previous HWA Nationals are now bringing attention to our breed by their title-earning performances in AKC and UKC-based Hunting Retriever Club [HRC] hunt tests, on up through the Master level.

Your participation in these Airedale field events shows us your understanding that Airedale inclinations go way beyond the couch and backyard. Thank you for being here!

Lawrence Alexander

I have been breeding Airedales for 43 years and have been involved in all types of hunting with them -- upland, tracking, obedience, agility etc.; my favorite is upland. I have had some great dogs over the years. I have been involved with HWA for over 26 years and have judged in a number of categories. I look forward to seeing many of my old friends and meeting new ones, also seeing some great dogs. Once you have owned an Airedale you will always have a special place in your heart for them.

Chris Halvorson

My husband Tom and I discovered the Hunting/Working Airedale movement in the early 1990s. I got so excited about seeing Airedales work that I started snapping photos of them and haven't stopped since. For many years I was a pro photographer specializing in the conformation dogs and hunting Airedales. With the retirement of our photography business, we have time to train our own Airedales. We have owned Airedales since 1976, with several conformation champions, obedience titled dogs, and most fun of all, hunting titles.

I have been breeding versatile Airedale Terriers with my husband Dale, since 2001. Many of our Airedale Terriers have earned ATCA H/W, HWA and AKC titles. I entered my first Hunt Test, held in Lapeer, Michigan in 1997.

In addition to hunt tests, I compete in Obedience, Rally Obedience, Barn Hunts and Conformation. We have bred three AKC champions and one grand champion, along with over 50 AKC performance titles. We currently have six Airedale Terriers aged 11-months to 13-years and two house cats, Scooter and Groucho.

I am the President of the Airedale Terrier Club of Northern Ohio, Vice President and Obedience Chair for the Youngstown All Breed Training Club. I am also a member of the Steel Valley Airedale Terrier Association. I currently serve on the Airedale Terrier Club of America Hunting and Field Committee and have served on numerous hunt test committees over the past 20 years

Upland and Workshop Presenter

Dawn Schuster

(Dawn will serve as an Upland Test Judge and our Workshop Presenter)

I grew up in a hunting home. My father and brother hunted regularly. Our house was filled with many talks about where to hunt and what to hunt. Our house hunted it all.

When I turned 13, I took a hunter's safety course and that started it all. Most times you would find me off petting the dogs. We owned an English Springer Spaniel until I was 8. After he passed, we hunted over numerous other breeds of our friends, Brittanias, Beagles, German Short Hairs, and even a German Shepherd!

After moving from home, I started to work with dogs. I worked in boarding and training kennels a few years before taking a grooming job. I have now owned my own grooming business for the past 15 years.

I have had dogs most all of my life, from an English Springer to a poodle, Samoyed, Greyhounds, Toy Fox Terrier, and now English Cocker Spaniels.

18 years ago I had a chance to co-own a Toy Fox Terrier. Gem was the start of me working my dogs in performance events. He became the 1st Toy Fox Terrier in the history of AKC to earn an obedience title. My 1st English Cocker brought me the reintroduction to hunting.

I had not been out in the fields for nearly 15 years, while I married and had 2 daughters, who now also love to be out with the dogs. I realized how much I loved working my dogs and since then have trained for and earned 6 obedience titles, 9 rally titles and 19 field titles on 10 dogs. I am also training and running my own dogs in Cocker field trials. Liz and I have brought home 7 placements earning 14 points and 2 gun dog awards towards her Field Championship. Now her babies are starting out in field events. It has proven to be a very rewarding journey.

My knowledge and understanding of working dogs brought me to the exciting task of judging. I am a senior AKC judge for upland events and have been judging for about 8 years.

I love working with dogs and handlers and am looking forward to working with all of you during the Hunting Working Airedales National event. It will be my honor. Thank you so much for inviting me this year.

Jamie Lands

Jamie Lands has been formerly involved with English Springer Spaniel dog trials for the past 10 years, but his appreciation and love of hunting dogs began well before. Jamie was introduced to Springer Spaniels while living in Scotland and brought two dogs back from the UK in 1997. He had three fantastic years of hunting with Springers in Colorado, Nebraska and Kansas while living in Aurora, Colorado. After moving back to Ohio in 2000, Jamie befriended Brent LeMaster and got his first U.S. bred Springer Spaniel from Russ Smith in 2006.

Jamie has handled puppies and dogs in numerous field trials. He is an active member of the Ohio Valley English Springer Spaniel Field Trial Club. He is a certified gun for hunting dog trials and has judged several Springer Spaniel puppy stakes.

Jamie resides in Stoutsville Ohio with his wife, Rhonda, and their children.

Retriever

Robert Samios

Retired and living in Jamestown, Pennsylvania, we were fortunate to find a home abutting Lake Pymatuning State Park. Not only is there the lake but also many grassy areas on which to train. I have had nine Golden Retrievers over the last twenty-five years and the last three have been AKC Master Hunters and also have earned the Working Certificate Excellent from the Golden Retriever Club of America. We have also been involved with obedience, therapy work, conformation, and agility. I am the President of the Presque Isle Retriever Club of Erie PA and a member of the Buckeye Retriever Club. Presently, I am an eight point judge at the Junior, Senior, and Master levels.

Many years ago, I watched a demonstration of a trainer having her dog sit to the whistle, go right and go left, and handle her dog to the bird. I was hooked! Our club had training sessions and I met many people who were willing to help this new person get involved. At that time, I did not know that that meant being a bird boy. Later I became involved in upland hunting and each October, we look forward to flushing those pheasants. Last season, my older dog, Watson, helped Rain learn the game and we look forward to this year's hunting season.

Watching a young dog learn the skills necessary to compete in the Hunt Test Program is very rewarding and humbling at times. I know that we will finally persevere and learn the required skills not only for hunting tests but also for actual hunting. I appreciate the opportunity to be a judge for the retriever portion of the 2017 Airedale Nationals.

Retriever

Pat Rose

I purchased my first Standard Poodle in 1980 and have been with the breed ever since. I had always wanted a poodle that could do what they were bred to do – hunt – and in 2004 I bred a litter of pups that produced Harper. I started training Harper for the field while living in Canada and after moving back to the US showed him to his Obedience Trial Championship and trained and handled him to the Master Hunter title – he was the 8th MH in the breed and is the only poodle to hold both OTCH and MH titles. Currently I have Lucas who has earned his OTCH title and is currently working on his MH title. I love training and working my dogs in both venues but really enjoy the field work – what can be better than a chance to be outdoors with your best friend! I enjoy judging and seeing good dogs work – good luck to all.

Hunting Instinct Test

Sherri Glass

I grew up on a family farm and have been around animals all my life. We always had a farm dog that hung out on the property. When my husband, John, who was a police officer, got a drug dog, my life changed. I found Airedales! I really enjoyed the challenge of trying to stay one step ahead of them and making the training interesting for the dog. With my husband's ties to law enforcement, I trained Airedales for Drug Detection and Search and Rescue, along with some Obedience, Rally and Coon Tracking. Because my first working dog, Bo, was picked using the puppy test, I really believe in and love doing puppy test and instinct evaluations. I have used the Puppy Aptitude test for over 26 years, testing Airedale litters as well as numerous other breeds.

I own my grooming boutique and am a licensed grooming instructor for the State of Ohio and have taught many groomers their new careers.

I'm a breeder of Airedales and constantly strive to find the "perfect" dog.

John and I have been married almost 44 years, have 4 children and 6 grandchildren.

The VCD1 is an AKC title where the dog earns the TD (tracking dog), both Novice agility titles and his Novice obedience title. Since it was implemented in 1981 only 5 Airedales had previously earned it.
