Letter from the President

Welcome to the 31st Annual HWA Airedale Field Nationals!

Could it be a full year ago that we were celebrating HWA's milestone 30th Anniversary? Between then and now, HWA has had a fulfilling year. In April our annual Fun in the Field event included several newcomers and the fun of young dogs just getting started, as well as our "regulars." In June, Bridget Bodine (last year's Nationals workshop presenter) educated a number of us at an HWA All-Airedale Retrieving Seminar on her beautiful DeCoverly Kennels property in eastern PA. Since then, planning for this Nationals has kept many of us involved. Now its time for us all to enjoy the results of our year's effort.

Whether you've been training and ready to enter a hunt test; or whether you've come mostly to see what your Airedale might do in the workshop and/or Hunting Instinct Test; or whether you just want to hang with Airedale people, enjoy the dogs and some fun events such as the Barkathon – whatever your aspirations and intents, if you like Airedales, you should have a good time. You don't have to be a hunter to enjoy Hunting/Working Airedales, but as your Airedale pulls you through the weekend, you may well appreciate how very deep the desire to hunt runs through our breed.

On a "people" level, HWA values newcomers as much as we welcome back friends who come regularly. From the start of the weekend at Thursday's Hospitality Evening; through the Annual Meeting on Friday at Holly Hills; to our famed Banquet and Auction evening on Saturday evening, you'll have many chances for getting-to-know-you conversations and, we suspect, some laughter and Airedale story-telling.

Thank you for joining in our 31st Airedale Field Nationals! And a very special Thank You to all who have contributed time, talent, money, and hard work to make this weekend so special. So check the weekend's schedule in this catalog, and let's go have some fun!

Chris Halvorson, HWA President

Welcome to the Airedale Field Nationals

The Airedale came to America shortly after its development in England in the last half of the 19th century. In the first part of the 20th century, Americans' appreciation of the Airedale's hunting heritage was summarized in 1916 by Warren H. Miller (longtime editor of *Field and Stream*) in his classic book *The American Hunting Dog*. "On the borderline between the bird dog and the fur dog stands the Airedale," Miller wrote, "...the dog that can hunt both ... and the one who can and is being successfully trained to hunt everything alive that can be hunted."

The Airedale enjoyed widespread popularity in America at the start of the 20th century. In addition to its hunting abilities, the breed's reputation built on its fame as a war dog in WWI and its exploits as a big game hunter in the American West. Over time, demographics and society changed, and Airedale popularity shifted to a much smaller fan base who maintained the breed mainly as companions and home protectors.

In this 31st HWA Nationals, we continue the movement among Airedale fanciers to restore attention to the breed's original purpose as a versatile hunting and working dog, and to prove that the Airedale still maintains the breed's original instincts and abilities. Several of the Airedales and owners who got their start at previous HWA Nationals are now bringing attention to our breed by their title-earning performances in AKC and UKC-based Hunting Retriever Club [HRC] hunt tests, on up through the Master level.

Your participation in these Airedale field events shows us your understanding that Airedale inclinations go way beyond the couch and backyard. Thank you for being here!

Judge's Biographies

Fur Judges

Lawrence Alexander

I have been breeding Airedales for 42 years and have been involved in all types of hunting with them -- upland, tracking, obedience, agility etc.; my favorite is upland. I have had some great dogs over the years. I have been involved with HWA for over 25 years and have judged in a number of categories. I look forward to seeing many of my old friends and meeting new ones, also seeing some great dogs. Once you have owned an Airedale you will always have a special place in your heart for them.

Chris Halvorson

My husband Tom and I discovered the Hunting/Working Airedale movement in the early 1990s. I got so excited about seeing Airedales work that I started snapping photos of them and haven't stopped since. For many years I was a pro photographer specializing in the conformation dogs and hunting Airedales. With the retirement of our photography business, we have time to train our own Airedale. We have owned Airedales since 1976, with several conformation champions, obedience titled dogs, and most fun of all, hunting titles. I now serve as president of HWA, Inc.

Upland Judges and Workshop Presenter

Dawn Schuster

(Dawn will serve as an Upland Test Judge and our Workshop Presenter)

I grew up in a hunting home. My father and brother hunted regularly. Our house was filled with many talks about where to hunt and what to hunt. Our house hunted it all.

When I turned 13, I took a hunter's safety course and that started it all. Most times you would find me off petting the dogs. We owned an English Springer Spaniel until I was 8. After he passed, we hunted over numerous other breeds of our friends, Brittanies, Beagles, German Short Hairs, and even a German Shepherd!

After moving from home, I started to work with dogs. I worked in boarding and training kennels a few years before taking a grooming job. I now own a grooming business for the past 14 years.

I have had dogs most all of my life, from an English Springer to a poodle, Samoyed, Greyhounds, Toy Fox Terrier, and now English Cocker Spaniels.

17 years ago I had a chance to co-own a Toy Fox Terrier. Gem was the start of me working my dogs in performance events. He became the 1st Toy Fox Terrier in the history of AKC to earn an obedience title. My 1st English Cocker brought me the reintroduction to hunting.

I had not been out in the fields for nearly 15 years, while I married and had 2 daughters, who now also love to be out with the dogs. I realized how much I loved working my dogs and since then have trained for and earned 6 obedience titles, 9 rally titles and 19 field titles on 10 dogs. I am also training and running my own dogs in Cocker field trials. Liz and I have brought home 7 placements earning 14 points and 2 gun dog awards towards her Field Championship. Now her babies are starting out in trials field events. It has proven to be a very rewarding journey.

Dawn Schuster (continued)

My knowledge and understanding of working dogs brought me to the exciting task of judging. I am a senior AKC judge for upland events and have been judging for about 7 years.

I love working with dogs and handlers and am looking forward to working with all of you during the Hunting Working Airedales National event. It will be my honor. Thank you so much for inviting me this year.

Jamie Lands

Jamie Lands has been formally involved with English Springer Spaniel dog trials for the past 10 years, but his appreciation and love of hunting dogs began well before Jamie was introduced to Springer Spaniels while living in Scotland and brought two dogs back from the UK in 1997. He had three fantastic years of hunting with Springers in Colorado, Nebraska and Kansas while living in Aurora, Colorado. After moving back to Ohio in 2000, Jamie befriended Brent LeMaster and got his first U.S. bred Springer Spaniel from Russ Smith in 2006.

Jamie has handled puppies and dogs in numerous field trials. He is an active member of the Ohio Valley English Springer Spaniel Field Trial Club. He is a certified gun for hunting dog trials and has judged several Springer Spaniel puppy stakes.

Jamie resides in Stoutsville Ohio with his wife, Rhonda, and their children.

Retriever Judges

Frank McKane

Frank lives in Oxford, Connecticut. He has been training for the past 30 years. He started with Springer Spaniels for upland bird hunting. Then he got a hound for squirrel and raccoon hunting.

In 2000, he rescued a Labrador retriever from a pet shop near his home. At the time he was a well respected outdoor writer for newspapers and magazines. While he was doing a story on goose hunting, he got the idea to train his Labrador "Clark" for duck hunting.

He joined a waterfowl hunting club and discovered hunt tests. Now he could hunt in the fall/winter and work his dog in the summer at tests.

"Clark wasn't very talented for the hunt test game. And I have to admit I wasn't a very good trainer. But together we muddled through to a Senior Hunter title," Frank said.

That's when he began to study the craft. His next dog "Butte" had the talent and Frank developed his skills. Butte ended her career with 31 Master Hunter passes and qualified for the Master National three times. Six dogs later - four with AKC Master Hunter titles - Frank became an AKC judge for all levels of hunt tests.

"I enjoy watching the dogs work, whether they are hunting or trialing, Judging gives you a different perspective on that dog work. I have worked with Airedales in the obedience ring and I'm looking forward to seeing these dogs work in the field."

Retriever Judges (Continued)

Kate Ostrowski

I adopted my first Airedale in 1996. My first two Airedales were great yards hunters. In 2012 a Lawrence Alexander puppy joined our family and it's been all bird hunting and training since. In 2013 we joined Hunting Working Airedales, Inc.

Since 2013 Filson and I have been training for both Upland and Retriever hunting tests with Bridget Bodine, a retriever training pro. Together we have progressed to senior titles for HWA Upland, HWA Retriever, AKC Spaniel Upland, in addition to an HWA Junior Fur title.

Hunting Instinct Test Judges

Sherri Glass

I grew up on a family farm and have been around animals all my life. We always had a farm dog that hung out on the property. When my husband John, who was a police officer, got a drug dog, my life changed. I found Airedales! I really enjoyed the challenge of trying to stay one step ahead of them and making the training interesting for the dog. With my husband's ties to law enforcement, I trained Airedales for Drug Detection and Search and Rescue, along with some Obedience, Rally and Coon Tracking. Because my first working dog, Bo, was picked using the puppy test, I really believe in and love doing puppy test and instinct evaluations. I have used the Puppy Aptitude test for over 25 years, testing Airedale litters as well as numerous other breeds.

I own my own grooming boutique and am a licensed grooming instructor for the State of Ohio and have taught many groomers their new careers. I'm a breeder of Airedales and constantly strive to find the "perfect" dog, although a fellow breeder of mine, once said, "You're such a perfectionist, you'd breed the perfect dog, and would find something you didn't like about it"

John and I have been married over 41 years, have 4 children and 6 grandchildren.

Assistant Hunting Instinct Test Judge

Michael Sites

After the passing of our family Airedale (my daughters Misty), I began searching the internet, I found the HWA. Networking brought me to Lawrence Alexander, Dale Burrier and Ed Weiss. They were very helpful.

We attended our first Nationals in 2010, 4-weeks after Misty passed, to be around Airedales...and hopefully find a breeder. I wanted a hunting dog. I knew nothing about hunting Airedales and less about hunt training. We were incredibly fortunate to obtain the last pup of Dale's litter at the Nationals; the best one.

In 2011, I entered Kira in the Hunting Instinct test. Kira had the highest score, 94%. Stew Tardif told me that if I did not come back to the next Nationals having trained Kira he would kick my b***.

With advice from Ed, Dale and Lawrence, books, Youtube and 5-months working with a local trainer we came back in 2012 and Kira passed both Junior Upland and Retrieving tests. Meanwhile, we hunted quail, chukar and pheasant in South Dakota, Missouri and Illinois.

The 11-months prior to the 2013 Nationals, Kira passed eight straight AKC events and received her JH and SH AKC titles. At the 2013 Nationals, Kira passed both the Senior Upland and Retriever tests. I also had the great pleasure of assisting Stew Tardif with the Hunting Instinct test.

We continued hunting quail, chukar and pheasant in South Dakota, Missouri and Illinois. In 2014 Kira achieved her Senior Hunt Versatile title.

We decided it was time to train for steady and the Master Hunt test. Working with Ed Weiss and a Spaniel breeder/handler, we started the Gateway Upland Hunt Club and began working on advanced field skills.

Kira GCG, GD, SHV, MF(ur), MF, MH (AKC), has recently become the 5th Airedale to achieve the AKC Master Hunt title.

I am currently serving as the HWA Treasurer, active on the Events Committee and this will be my third time to assist judging the Hunting Instinct test at the 2016 Nationals.
