In Memory of
Pam Tanner

On May 5, 2018, longtime HWA member Pamela Tanner lost her 5-year battle with cancer. In spite of her illness, Pam remained active in HWA until recent times.

Along with her partner of 19 years, Mike Logsdon, Pam had been a steadfast supporter of HWA. Their attendance at HWA events began in 2003 with their puppy Snuffly. Pam and Mike remained active, particularly in fur tracking events, with their Airedales Snuffly, Nauti, and now Parker.

Pam and Mike's generosity in sponsoring two Nationals Hospitality evenings and Pam's role in organizing a pond-side refreshments for Mike's bonfire at a Fun in the Field a couple years ago are just two examples of their commitment to fostering good-will in our organization.

Pam will be greatly missed by all her friends on Airedales, as well as her family and larger community of friends in her sailing and professional life.

Letter from the President

I would like to welcome everyone to this years HWA Nationals. We are fortunate to have a great location to spend time with our Airedales and friends. Enjoy this weekend and take advantage of Holly Hills rolling landscape and ponds.

Two items I would like to address. First is volunteerism, I would encourage all members to become active in the club. There is the HWA board and an events committee. Both are needed to administer this club. Both welcome members participation. A prime example are these two ladies, Ms. Corally Burmaster and Mrs. Patricia Reed, who tirelessly orchestrate the HWA banquet, auction and raffle each year. Without these two women our coffers would be poorer. Please take the time to thank them for their service to our club. And a thank you to all who help make this weekend successful.

Second is participation, the events committee and the HWA board strive to give you a Nationals that can be enjoyed both by the competitor and the spectator. Please come and join us at HWA events. There is no other venue for Airedales where you can participate in several hunting disciplines, whether it be for fun or competition. This is a starting point for many prior to beginning competing in AKC hunt tests. Even if you compete beyond Hunting Working, please remember where you came from and give back to this club.

My presidency will come to an end this year. I joined HWA because people were so welcoming and like minded. They enjoyed spending time with their Airedales. I hope this trend continues.

I thank you for allowing me to serve as your president.

Patricia Nemeth,
HWA President

Welcome to the Airedale Field Nationals

The Airedale came to America shortly after its development in England in the last half of the 19th century. In the first part of the 20th century, Americans' appreciation of the Airedale's hunting heritage was summarized in 1916 by Warren H. Miller (longtime editor of *Field and Stream*) in his classic book *The American Hunting Dog*. "On the borderline between the bird dog and the fur dog stands the Airedale," Miller wrote, "...the dog that can hunt both ... and the one who can and is being successfully trained to hunt everything alive that can be hunted."

The Airedale enjoyed widespread popularity in America at the start of the 20th century. In addition to its hunting abilities, the breed's reputation built on its fame as a war dog in WWI and its exploits as a big game hunter in the American West. Over time, demographics and society changed, and Airedale popularity shifted to a much smaller fan base who maintained the breed mainly as companions and home protectors.

In this 33rd HWA Nationals, we continue the movement among Airedale fanciers to restore attention to the breed's original purpose as a versatile hunting and working dog, and to prove that the Airedale still maintains the breed's original instincts and abilities. Several of the Airedales and owners who got their start at previous HWA Nationals are now bringing attention to our breed by their title-earning performances in AKC. Upland (Spaniel) Tests—on up through the Master level.

Your participation in these Airedale field events shows us your understanding that Airedale inclinations go way beyond the couch and backyard. Thank you for being here!

Lawrence Alexander

I have been breeding Airedales for 40 years and have been involved in all types of hunting with them -- upland, tracking, obedience, agility etc.; my favorite is upland. I have had some great dogs over the years. I have been involved with HWA for over 25 years and have judged in a number of categories. I look forward to seeing many of my old friends and meeting new ones, also seeing some great dogs. Once you have owned an Airedale you will always have a special place in your heart for them.

Chris Halvorson

My husband Tom and I discovered the Hunting/Working Airedale movement in the early 1990's. I got so excited about seeing Airedales work that I started snapping photos of them and haven't stopped since. For many years I was a pro photographer specializing in the conformation dogs and hunting Airedales. With the retirement of our photography business, we have time to train our own Airedales, currently 8 year old Bruce and his son, 3 year old Mike. We have owned Airedales since 1976, with several conformation champions, obedience titled dogs, and most fun of all, hunting titles.

I have been breeding versatile Airedale Terriers with my husband Dale, since 2001. Many of our Airedale Terriers have earned ATCA H/W, HWA, and AKC titles. I entered my first Hunt Test, held in Lapeer, Michigan, in 1997.

In addition to hunt tests, I compete in Obedience, Rally Obedience, Barn Hunts and Conformation. We have bred three AKC champions, and one grand champion, along with over 50 AKC performance titles. We currently have six Airedale Terriers, aged 18 months to 14 years, and two house cats, Scooter & Groucho.

I am the President of the Airedale Terrier Club of Northern Ohio, and Vice President & Obedience Chair for the Youngstown all Breed Training Club. I am also a member of the Steel Valley Airedale Terrier Association. I currently serve on the Airedale Terrier Club of America Hunting & Field Committee, and have served on numerous hunt test committees, over the past 20 years.

John Dudash

I live northeast of Gahanna, OH. with my two English Springer Spaniels, Shiny and Rainy; my Brittany, Windy; and my wife. I have been an avid hunter and fisherman since my teens, in other words a long time. I got my first Springer, Shiny, about 5 years ago and started training with Brent LeMaster and the Ohio Valley English Springer Club about the same time. Shiny and I finished our Senior title and Master title within a year, having skipped the junior title. The jump from senior to master was not easy and we did not get a leg from the first master events, and it took two events to get that last leg. Shiny and I are now working on Master Advanced; we have two legs towards that title. I have started with my second Springer, Rainy, participating in field trials. I am relatively new I have learned what it takes to be successful, when to reward success, and when to encourage and praise effort. I am looking forward to seeing the dogs and handlers work and having fun.

Rick Abolt

I have owned and hunted Labrador Retrievers since 1986. In particular, chocolate labs. They needed all of the help they could get! I started training for hunt tests in 2012 while living in Texas. I had the time, patience and fantastic training group. Also, in 2012, I discovered the AKC Spaniel Hunt Test and I was hooked! We had tremendous success and titled the first chocolate AKC Master Hunter Upland in the US. Shortly thereafter, I started training professionally and selectively breeding. I am an 8 point AKC Spaniel hunt test judge and had the privilege to judge every eligible breed. I live on the Eastern Shore of Maryland with my wife Connie, son Collin, Labs - Maggie, Memphis, Rosie, Maddie and Boykin Spaniel named Leroy.

Retriever (also Workshop Presenter)

Patricia Rose

I purchased my first Standard Poodle in 1980 and have been with the breed ever since. I had always wanted a poodle that could do what they were bred to do – hunt – and in 2004 I bred a litter of pups that produced Harper. I started training Harper for field while living in Canada and after moving back to the US showed him to his Obedience Trial Championship and trained and handled him to the Master Hunter title – he was the 8th MH in the breed and was the first poodle to hold both OTCH and MH titles. Currently I have Lucas who is the 24th Master Hunter poodle and the second poodle with both OTCH and MH titles.

I love training and working my dogs in both venues but really enjoy the field work – what can be better than a chance to be outdoors with your best friend? I enjoy judging and seeing good dog work – good luck to all.

Leslie Phillips

I have had dogs all of my life. I grew up with an English Bulldog, , a chihuahua, and a "beagle, basset, collie hound" that looked like a golden retriever with midget legs. I got later had a real golden retriever. But, In 1992 I got my first flat-coated retriever and really set out on a hobby in dog competition such as obedience, agility, show, and hunt testing. I am now training my 6th flat-coated retriever in field work and hunting.. I love the training, competition, and social interaction involved in hunt testing. Becoming a Hunt Test Judge helped so much in my dog training. Thank you for inviting me to judge your Retriever Test!

Hunting Instinct Test

Sherri Glass

I grew up on a family farm and have been around animals all my life. We always had a farm dog that hung out on the property. When my husband John, who was a police officer, got a drug dog, my life changed. I found Airedales! I really enjoyed the challenge of trying to stay one step ahead of them and making the training interesting for the dog. With my husband ties to law enforcement, I trained Airedales for Drug Detection and Search and Rescue, along with some Obedience, Rally and Coon Tracking. Because my first working dog, Bo, was picked using the puppy test, I really believe in and love doing puppy test and instinct evaluations. I have used the Puppy Aptitude test for over 25 years, testing Airedale litters as well as numerous other breeds.

I own my own grooming boutique and am a licensed grooming instructor for the State of Ohio and have taught many groomers their new careers. I'm a breeder of Airedales and constantly strive to find the "perfect" dog.

John and I have been married almost 44 years, have 4 children and 6 grandchildren.
