Letter From the President

Dear Friends-in-Airedales,

Welcome to the 35th HWA Airedale Field Nationals! We come to this weekend with a special appreciation. After involuntarily taking a year off due to the pandemic, many of us share that “can’t wait to get back” feeling.

If you’re a “regular” at our Nationals, you’ll also share the pleasure of catching up with old friends. If you’re a first-time attendee, this is your chance to make new friends with a group that shares your love of Airedales and their abilities. HWA Nationals brings together a rare concentration of folks devoted to keeping alive the hunters’ heart that is foundation of our breed.

To make this weekend happen, many HWA volunteers have devoted their time and energy to make it both worthwhile and fun for you. We want you to have a wonderful time and keep coming back.

Speaking of those volunteers, let’s all give special thanks to the HWA Board, Events Committee members, and every single person who asks “What can I do to help?” Thanks to everyone who keeps this club going with your participation, membership, and financial and moral support. And a special thanks and appreciation to all those who *train* their Airedales for field work, whether to do well in hunt tests, and/or to be a practical hunting companion. It’s taken terrier people a long time to accept that, for best results, we have to train Airedales the same way that spaniel and retriever people train their dogs. We’re making progress.

Now let’s go have some fun!

Chris Halvorson,

HWA President

Welcome to the Airedale Field Nationals

The Airedale came to America shortly after its development in England in the last half of the 19th century. In the first part of the 20th century, Americans' appreciation of the Airedale's hunting heritage was summarized in 1916 by Warren H. Miller (longtime editor of *Field and Stream*) in his classic book *The American Hunting Dog*. "On the borderline between the bird dog and the fur dog stands the Airedale," Miller wrote, "...the dog that can hunt both ... and the one who can and is being successfully trained to hunt everything alive that can be hunted."

The Airedale enjoyed widespread popularity in America at the start of the 20th century. In addition to its hunting abilities, the breed's reputation built on its fame as a war dog in WWI, and its exploits as a big game hunter in the American West. Over time, demographics and society changed, and Airedale popularity shifted to a much smaller fan base who maintained the breed mainly as companions and home protectors.

One of the goals of the founders of this club back in 1985 was to have the Airedale Terrier once again recognized as a versatile hunting dog by the wider sporting dog world. Finally, in 2009 the American Kennel Club allowed Airedales to enter AKC Upland (Spaniel) Hunt Tests. Since February, 2018, the AKC has allowed ATCA Fur Test titles to be recorded on AKC pedigrees and certificates. And starting in 2019 Airedales were allowed to run in AKC Retriever Hunt Tests. None of this could have been accomplished without the work of the Airedale Terrier Club of America's Hunting and Field Committee, who carried our breed's requests for AKC hunt test participation to the AKC.

Now that Airedales are allowed in AKC Hunt Tests, special credit goes to the owner/handlers who have trained their Airedales as competitive as the traditional sporting breeds. Since 2009 over two dozen Airedales have earned AKC Hunt Test titles, including several Master Hunters. Post-pandemic, several Airedales have qualified in AKC Retriever tests. The vast majority of Airedale entrants in AKC tests got their start and/or participated in HWA events. HWA events are both a training ground and a launch pad for continuing field work.

So whether you have ambitions involving hunt tests or whether you just want to get out in the field with your dog, thank you for being part of the hunting Airedale community.

Judge's Biographies

Fur

Dale Burrier

I have owned Airedales since 1982 and have competed in obedience trials since 1986, having put 24 obedience, rally and hunt test titles on 10 Airedales. I have groomed and shown 4 champion and 2 grand champion Airedales since 2013. From 1990 to 2007, I have been involved with ATCA Hunting/Working activities, and had served on the ATCA H/W committee between 1994 and 2007. To date I have also put 15 ATCA hunt test titles on 3 Airedales.

In real life, I am a semi-retired registered Landscape Architect. I am also the Training Director for Youngstown All-Breed Training Club in North Jackson, Ohio. I live on 8 acres in an 169-year old farmhouse with my wife Kimberly, 4 Airedales, 2 cats and the occasional Airedale litter.

Fur and Retriever

Jim Middaugh

Jim grew up in Chicago's inner city and didn't get his first dog until he got married and bought his first house. He knew he wanted a good-sized dog that had a lot of grit and would be a good tough watchdog. He also always dreamed of having a hunting dog of some kind. But what breed? He came across a 99-cent book with these totally different looking good-size dogs on the cover. That book told Jim the story of Jack, an Airedale sentry dog in World War I, who gave his life to deliver a message to soldiers in a foxhole before dropping dead having traveled miles on a broken leg.

The Airedale's heroism and bravery inspired Jim to fall in love with the breed. Eventually he discovered the early Hunting/Working Airedale group, and he supported their efforts to restore the Airedale to the great hunting dog role they were originally bred for. Jim first attended the Hunting Working Airedale Nationals in 1994. He was an H/W Committee member for many years. He also served as chairman for the Cooley Hunt Test every May in Wisconsin for 12 years before passing the torch.

Jim's first two Airedales were both great fur-hunting dogs. His second Airedale acquired the Master Fur Hunting Title, qualified in the Master test three straight years, and always was the highest scoring dog in the Fur Tests. His third Airedale, named Jack after the famous war hero, acquired his Master Fur title and then attained a Senior Upland & Senior Retriever title.

Today Jim owns his third Labrador Retriever. His first Labrador attained an AKC Senior Hunter Retriever title. His current Labrador is in training for AKC Retriever tests with the goal of attaining an AKC Master Retriever title.

Jim and his wife are planning to get another Airedale in the future, as the breed is in their hearts and souls. Jim is thrilled to attend and be a judge at this year's HWA Nationals this year.

Upland

Mark Gebert

I got my first English Springer Spaniel in the late 1990's and got involved in AKC Hunt Tests and Field Trials in the mid-2000s all because I wanted to spend more time outside since I have worked from home since 2000. It has been a fun ride with all the places, experiences and people. I have titled multiple dogs at all levels of the AKC Hunt Tests, and in AKC Field Trials have had multiple competitive dogs that I have regularly placed with, championed including completion of 2 National Amateur Championships. I've been judging Hunt Tests for over 10 years and a little over 5 in Field trials. I'm regarded as one of the better Field event photographers having photographed 10 National Field Trial Championships and have been featured in several publications. Good Luck and looking forward to meeting all of you!

Kate Ostrowski

I have owned Airedales for 25 years, adopting my first two who were wonderful family pets. Nine years ago, Filson came into our lives and introduced us to the idea of hunting Airedales. Working with Filson has brought into our lives many new and great friends and experiences. He has earned his AKC Master Hunter Upland title, HWA Master Retriever, HWA Junior Fur, and the HWA Joan Shea Gordon award. Having learned so much from so many, I chose to give back to the sport and in 2018 became an AKC Spaniel Upland Hunt test judge.

I currently live in Northeastern Pa with my husband Joe and three Airedales Filson, Sunshine and Lily.

Retriever

Pat Rose

I purchased my first Standard Poodle in 1980 and have been with the breed ever since. I had always wanted a poodle that could do what they were bred to do – hunt – and in 2004 I bred a litter of pups that produced Harper, my first field dog. I began field training in Canada and continued after returning to the US in 2007. Harper became the 8th AKC Master Hunter poodle in 2011 and Lucas earned the AKC Master Hunter title in 2018. I am currently training Newton in field and Brixton in obedience – both are Lucas's sons.

I love training and working my dogs in obedience and field but really love the field work – what can be better than a chance to be outdoors with your best friend? I enjoy judging and seeing good dog work – good luck to all

Hunting Instinct Test

Sherri Glass

I grew up on a family farm and have been around animals all my life. We always had a farm dog that hung out on the property. When my husband John, who was a police officer, got a drug dog, my life changed. I found Airedales! I really enjoyed the challenge of trying to stay one step ahead of them and making the training interesting for the dog. With my husband ties to law enforcement, I trained Airedales for Drug Detection and Search and Rescue, along with some Obedience, Rally and Coon Tracking. Because my first working dog, Bo, was picked using the puppy test, I really believe in and love doing puppy test and instinct evaluations. I have used the Puppy Aptitude test for over 25 years, testing Airedale litters as well as numerous other breeds.

I own my own grooming boutique and am a licensed grooming instructor for the State of Ohio and have taught many groomers their new careers. I'm a breeder of Airedales and constantly strive to find the "perfect" dog. John and I have been married almost 46 years, have 4 children and 6 grandchildren.

Workshop Presenter

Duane Menges

I became involved in dog training in 1992 when I bought my first English Springer Spaniel off a professional trainer by the name of John Isaac. John and I became great friends, and he took me under his wing teaching me everything he knew about training dogs. I am a member of the Ravenna Field Trial Club. While welding is my career, training dogs is my passion.

I started running Hunter's Trials and AKC Field Trials with the Springer Spaniel breed in 1994. My first Field Trial dog, Lucy, started in the Puppy Stake and then continued to run on into the Amateur Stakes. Lucy was one win away from being a field champion. I have run Hunter Retriever 1 Trials (HRC trials) with Labs and currently have 2 Labs with their started titles.

In 2007, I turned professional all-breed gun dog trainer. I have trained for Thomas Vale, former owner of the Cleveland Plain Dealer and member of the Bird Dog HOF. Currently, I assist Russ Smith, another Bird Dog HOF member, in training and running field trials all over the U.S.

Being a trainer, it is important to me to help improve the blood line and field trial lines within competition. I honestly believe good training can make a great field trial dog.

Good luck at 2021 HWA Nationals!**

Happy 35th
Anniversary HWA!

From Atta Girl Annie, UD, JHF (Annie),
Pipestone's Fine Tanned Leather, JHR (Tanner),
Anita Smits and Scott Lichty

Please join us for the 20th annual Randy Cooley Memorial Hunt Test May 20th, 21st, and 22nd, 2022 at Rock River Kennels in Beaver Dam, Wi.

For twenty years we have been celebrating the hunting Airedale Terrier in Wisconsin by holding the Cooley Hunt Test. Every year we gather to renew old friendships and watch some very good dog work in the field. Activities will include an ATCA Fur Tracking and Trailing Test, an ATCA Retriever Test and two full days of AKC Upland Spaniel Hunt Tests. Contact Scott Lichty for information. We hope to see you there!

Good luck to all participants at the 2021 HWA Nationals!
